**Email:** [wiqoyah.kj@gmail.com](mailto:wiqoyah.kj@gmail.com)

**Address:** Lagos, Nigeria

## EDUCATION

**University of Lagos, Lagos Nigeria** | 2021- Present

Programme: **Bachelor of Science in Chemical Engineering**

Academic standing: **First Class**

Current CGPA: **4.67 / 5.00**

Relevant Coursework: Process Analysis, Fluid Mechanics, Thermodynamics, Separation Processes.

## VOLUNTEER EXPERIENCE

**Media and Publicity Lead - Quality Education For All Initiative (QEFAI)** | 2025 - Present

- Led a publicity team of 7 by overseeing media strategy and managing outreach channels, to enhance the organization's visibility and engagement

**Volunteer Event Coordinator, Build A Dream x WISE Girls' Empowerment event** | 2025

- Collaborated with a volunteer team to coordinate a large-scale empowerment event for 1,400 secondary school girls, contributing to the event's effectiveness and positive impact.

**Financial Resources Team, Nigerian Society Of Chemical Engineers, University of Lagos Chapter** | 2024

- Supported financial planning, resource management activities, fundraising drives and sponsorship outreach, contributing to the chapter's financial growth and sustainability.

**Volunteer, Contech Nigeria AEC Tech event** | 2024

- Supported the coordination of technical event sessions on Architecture, Engineering, and Construction (AEC), gaining exposure to industry innovations relevant to chemical and process engineering.

**Design Team Lead, Society Of Women Engineers (SWE), UNILAG Chapter** | 2024-Present

- Directed a 13 membered student design team by assigning tasks, enhancing team performance, and ensuring timely delivery of professional designs that strengthened the chapter's identity and visibility.

## AWARDS & CERTIFICATIONS

• Awarded as the Best Student in Chemical Engineering Process Analysis II by the Nigerian Society Of Chemical Engineers, University of Lagos Chapter | 2025

• MTN Foundation Science and Technology Scholarship, Awarded by MTN Foundation (Nigeria) for academic excellence in STEM. | 2025

• Julius Berger Nigeria Plc Female Merit Scholarship - awarded for academic excellence | 2023

• MATLAB for Beginners Certification - Mathworks | 2025

• Quality Health, Safety and Environment (QHSE) Level 1 Certification - Deprimex Consulting | 2024

## SKILLS

- |  |          |                      |                       |
|--|----------|----------------------|-----------------------|
| • Python                                   | • MATLAB | • Project Management | • Analytical Thinking |
| • Technical Report Writing & Documentation |          | • Team Collaboration | • Problem Solving     |
